1. Ferenc VAJTA told source that he was granted a permanent residence visa in October 1950 to remain in Colombia. He is at present teaching school but is searching for other work which will pay him more money.
2. VAJTA said that among the Hungarian colony in Bogotá there are being circulated copies of newspaper articles in the Hungarian language which attack him. VAJTA says these articles are reprints from Hungarian Communist newspapers of several years ago. The names of the newspapers which would identify them as Communist papers are not associated with the articles being circulated. VAJTA did not exhibit copies of any of the articles.
3. VAJTA says he has reason to believe that the person responsible for the circulation of the articles attacking him is Andres HAVAS Blau who has recently returned from Europe. Asked if HAVAS had gone to Hungary VAJTA said he believed he had but that HAVAS was being very quiet on that point since his return from Europe. VAJTA knows that HAVAS was in Vienna. VAJTA states categorically that HAVAS is a Communist.
